Minimum Enrollment

-STC requires a minimum enrollment of 4 students (depending on class) per class before we can open it.

-STC reserves the right to close a class at any time if it falls under minimum enrollment. If this happens, parents may request a credit, transfer, or refund for the remaining classes.

Payment Policy

-Space is reserved upon full payment of tuition. Tuition MUST be received in full at least one week before the start of class.

-Year payment options are heavily discounted, so payments MUST be with Zelle, check or cash; there are no refunds, credits, transfers, etc. once the first class of the year has started, even if the student develops a schedule conflict later.

-Payments are commitments. STC will not be able to provide any refunds, credits, transfers, etc. after any group classes start.

Withdrawals before group classes start will be assessed a \$60 administrative fee per subject. Parents are responsible for selecting the right class for their students, and for making sure their students' schedules are open for class.

-Student absences for group classes cannot be made up, refunded, credited, transferred, etc. We can only provide students the make-up work.
